General Announcement 2021_01
Waka Kotahi NZTA Border Inspections

Dear Stakeholder,

Waka Kotahi NZ Transport Agency (NZTA) requires all Border Inspection Organisations to collect new data points on the vehicles inspected.

Note that this was first tabled by Waka Kotahi in 2019, and further developed in 2021.

The data points are:

Exporter or Export Agent name and address

Importer (in NZ) of vehicle name and address

Compliance site (in NZ) to which vehicle to be sent after Border Inspection (if known)

Japanese auction house overall grading for the vehicle inspected (if known)

This information is required reporting to Waka Kotahi and comes into effect on 01 July 2021.

Clients are requested to provide this information to JEVIC at the time of booking to ensure there are no delays in processing.

Please contact your local JEVIC representative for any enquiries.

JEVIC are a ISO17020:2021 accredited company, and we pride ourselves in our integrity of inspection including the confidentiality of your data.
